SSS analysis report :

A cursory look at the summary of data regarding SSS of various PG classes indicated that to most of the aspects i.e. Knowledge base of teachers, Sincerity, interest generated by teacher, accessibility of teacher and overall rating; all fetched marks in the range of 8.5 to 10. However, it can be mentioned that certain parameters are indicative of improvements in the attributes regarding: communication skills, ability to integrate course material more judiciously to make the syllabi more pertinent and interesting to the students. The IQAC team is making efforts to inform the concerned faculty members through Principal about this outcome. The governing body is also being informed about this analysis report regarding SSS. The raw data in the form of filled in forms is also available on the college website.
